

Donald Vaccaro

Co-Founder and Chief Executive Officer

Don Vaccaro is the founder and Chairman of the Board of TicketNetwork, Inc., one of the leading online ticket exchanges in the country. Vaccaro has more than 30 years of experience in the secondary ticket market, including 10 years in industry-related software development, pioneering the creation of the company's signature software - TicketNetwork® Point-of-Sale. Vaccaro is also the founder of Ticket Galaxy, one of the largest ticket brokerage firms in the country. He is a founding member and former president of the Connecticut Ticket Brokers Association, and was also founder and first president of the Massachusetts Ticket Brokers Association.
